TWENTY-SECOND REGIMENT HAS SOME FINE ATHLETES

of the record of 1 minute 532-5 seconds for the half mile run. Ernie Hjertoerg is another old-timer who won fame with the 22 on his oreast. Bully Edwards, who twice dereated the great Maxey Lorg, is another, and Phil Sayles, too, who won immunerable prizes in the sprints, jumps and three-legged races. Of the present day Twenty second Regiment athletes Melvin Shebbaid is by long odds the "cock of the walk." Sheppard is the most consistent half-miler this country ever saw. When in condition it is entild's play for him to defeat runners of such fame as Pilgrim. Bromilow Glarner, Sheehan and Bacon.

Sullivan is a Star.

James P. Summan is probably the next

hawk at the end. When the time for this race was announced, the spectators were astounded, for the young Irish-American had run a mile in 4 minutes 2245 seconds—one of the fastest ever done at Travers Island. Sullivan is noted for his wit, and is said to have been half of the life of the American team that went to Athens in 1906.

Fred Rodgers, American, metropolitan and Canadian one-mile champion in 1906 is another of the Twenty-second's head liners. Rodgers was a dub with the Mott Haven A. C., but his perseverance and buildog grit finally landed him at the tors of American milers. Like Sullivan. Rodgers was a dub with the Mott Haven A. In the first race Harvey Cohn ran the first half mile in 2 minutes 3 eccords, and Rodgers ran with him at the tore of American milers. Bids.

PROPRIETORS of the big amuse-ment resorts at Coney Island who are considering the matter of securing the annual tournament of the National Bowling Association in 1909, and also those from upper Manhattan and the Bronx, will have until March 2 to send in proposals and bids to the committee of the Eastern Alley Owners' Association, of which M. C. Wyman, of the Columbia alleys. One Hundryd and Fourth street and Columbus avenue, is the chairman. On this date the bids will be opened, and if any are satisfactory the contract will be closed.

Metropolitan Association of the Amateur Athletic Union start their careers as members of some "athletic regiment." By the term "athletic regiment" is meant a military organization that fosters athletic sports along with the military work to gain recruits to its rank and to maintain the interest of men already members. Chief among these is the Twenty-second Regiment Engineers of the New York National Guard, whose armory is at Broadway and Sixty-eighth street.

In days gone by as well as at present the Twenty-second has numbered on its rolls some of the greatest athletes in the world. "Gabe" Hollander, who used to run neck and neck races with Charley Kilpatrick, holder to-day of the record of 1 minute 53 2-5 seconds for the half mile run.
